

CENTENARY STATE HIGH SCHOOL

Year 10 SET Plan Interviews

Welcome to our SET Plan Interviews

Centenary State High School is conducting SET Plan Interviews on:

Thursday August 27th, 2026 (8:00am – 4:00pm)

Friday August 28th, 2026 (8:00am – 4:00pm)

For these interviews, we are utilising an internet-based booking system called *Booked*.

Due to security and privacy requirements of Education Queensland, we are not permitted to load parent/carer and student names into *Booked* without first obtaining individual consent from parents/carers.

Consent must be obtained for each parent/carer's own information and their student's information to be stored and used in *Booked* for bookings. *Booked* allows this consent to be obtained as a part of the login process.

If you have any questions or concerns about security or privacy of information stored in *Booked*, please visit: <https://educonnex.education/privacy-policy/>.

How to login to *Booked*

Please access the system via either of the following methods:

1. Simply click on the below link and follow prompts:

<https://bookings.parentteacheronline.com.au/Logon2.aspx?school=12991>

or

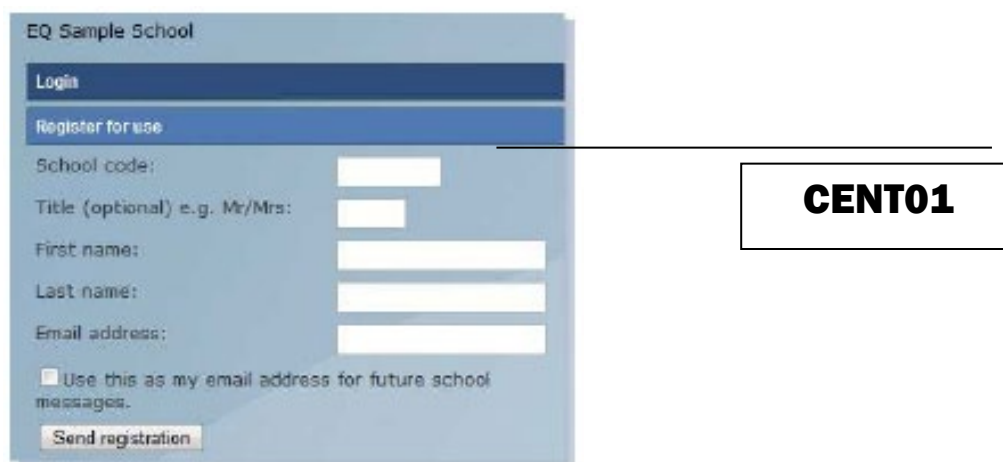

2. Go to the school's website home page <http://centenaryshs.eq.edu.au/>

Find the 'Support and Resources' tab at the top of the page and then click on 'Parent resources'. On this page, you will find a link to the *Booked* portal on the right-hand side.

The screenshot shows the Centenary State High School website. The header includes the school logo, name, and tagline 'Engaging Minds, Empowering Futures'. It also mentions 'Department of Education trading as Education Queensland International (EQI)' and 'CRICOS Provider Code: 00608A'. A search bar is present. The main navigation bar includes links like 'Our school', 'Enrolments', 'Curriculum', 'Co-curricular', 'Facilities', 'Calendar and news', 'Our community', 'Support and resources', and 'International'. The 'Support and resources' page is displayed, with a sidebar on the left containing 'Forms and documents', 'Student resources', 'Parent resources' (highlighted), 'Gifted and talented students', 'Wellbeing', and 'Connections'. The main content area is titled 'Parent resources' and contains a list of links: 'BPoint Parent Pamphlet', 'Student Departure / Refund Form', 'FlexiSchools Parent Information', 'Change of Details Form', and 'Refund Form - No Credit Card'. A 'Related links' section on the right lists 'Booked portal', 'Booked Instruction Manual 2026', 'QSchools App', and 'QParents App'. The 'Booked portal' link is circled in pink.

Register for use

Click “Register for use” and enter the security code CENT01 (CENT in capitals and then the numbers 01), your name and email address, then click “Send Registration”. By doing so you are consenting to your information being stored in *Booked* and being used for the purpose of interview bookings.

- An email containing your login PIN will be sent to the email address you provided. You may need to check your junk mail folder as genuine email messages can sometimes be incorrectly classified as junk mail.
- If you don't have an email address, contact the school between 8:00am and 3:00pm Tuesday August 18th, 2026 – Friday August 21st, 2026 by phoning (07) 3373 4555 so that we can enter your details for you.
- After you have received an email with your login details, click “Login” on the *Booked* login screen and enter your surname and PIN as shown in the email.
- Enter the 11-digit Centenary State High School student EQ ID of the student(s) for whom you wish to book interviews. You can enter more than one EQ ID if you have multiple students at the school. The student EQ IDs for each student are recorded on the student ID card but can also be found in QParents (student timetable).

- The student's ID card ➡

The classes of each student can be listed to check that you have entered the ID correctly, and to help distinguish between siblings etc.

Centenary State High School requires that you then enter the first and last name of the students for the IDs entered.

By doing so, you are consenting to the student(s)' name(s) being stored and used in *Booked* for interview bookings. By entering the names, it will help teachers to know who they are seeing/discussing for each interview. If the student name is not provided, the student will appear as a number (e.g. Student ID 123456) on both the parent and teacher screens/reports.

- After you have entered your student ID(s) and name(s), proceed to make bookings as instructed on the screen.
- You will only see time slots which are *available* at the time you are using the system. As time slots are booked for teachers, those timeslots are no longer displayed as available. *Booked* prevents double-booking of teachers or parents/carers.
- When you have made all the bookings you require, you can print a *report* of your bookings in time order.
- If you see this symbol  displayed alongside the class name, it means this teacher recommends that you book an interview.
- Other parents/carers may be making bookings at the same time that you are using the system. It is possible, though unlikely, that a timeslot is displayed to you as available, but is then booked by another parent/carer shortly afterwards. If you then attempt to book this timeslot it will not be available and a message will be displayed to indicate this.

Booked app

- The *Booked* app can be downloaded from the Google Play Store or Apple App Store.
- The school code for the mobile app: **12991**
- To help you get started, watch the short video below for a guide on navigating the *Booked* app:
