

Centenary State High School Bus Information

Centenary SHS is serviced by 2 different bus companies. Brisbane City Council Buses (ph. 13 12 30) and Southern Cross Bus Transit (Private Bus Company, ph. 3813 8900).

If you travel via Southern Cross Transit, you will need to contact this company on 3813 8900 to organise a Southern Cross Transit Bus Pass. Students with Transit passes will be allowed to board the bus first. Once these students have boarded, cash fare paying students may use this service ONLY if there is spare capacity.

Please note: If you live on the Sinnamon Park side of the Highway you will need to travel on the S776. If you live in the Darra area, you will need to travel on the S780. For both of these buses, you will need to collect a bus pass from the school office. Students with bus passes for these 2 buses will be allowed to board the bus first and if there is room available, other students will then be allowed to board the bus.
