

YEAR 7 CHINESE EXCELLENCE APPLICATION FORM

CENTENARY STATE HIGH SCHOOL HUMANITIES/LANGUAGES FACULTY

Year 7 Chinese Excellence

Chinese Excellence

Chinese Excellence is an exciting program designed for Year 7 students with advanced language abilities in Chinese. The course is structured to allow your student to extend their Chinese language capabilities, utilising a range of in-class learning, ICT programs and enrichment experiences. The course will run for one semester for three 70 minute lessons a week. Timetabling will determine if this program is run in semester one or semester two.

Students who achieved strong results in Chinese, as well as those who wish to start learning Chinese, and have demonstrated academic ability across core subjects are encouraged to apply. Beyond Year 7 students may choose to continue the excellence course up to Year 10 and then enrol in Senior Chinese for Years 11 and 12. Students have the option of sitting the internationally recognised HSKE test at the end of Year 12.

To apply for a place in the Chinese Excellence Program, please complete this application and return it with your enrolment application, or by **Friday 28th July 2017**.
