What is the ATAR (and MyPath)?

The ATAR (Australian Tertiary Admissions Rank) is:

- Used to apply for tertiary entrance across Australia
- A number between 99.95 and 0.00
- Increased in increments of 0.05
- Calculated by QTAC
- Recognised across Australia – this is needed in ATARs below 30 are not reported.

My Path, a tool on the QTAC website will help Year 10 students choose their senior subjects, check if they meet tertiary prerequisites and find out if they are eligible for an ATAR
