PERFORMING ARTS SUB-COMMITTEE EXPRESSION OF INTEREST

The Performing Arts Sub-Committee is part of the P&C Association, and provides support for the Cultural Program at Centenary SHS. Their assistance helps with funding issues, as well as providing an avenue for parents/carers of Performing Arts students to be actively involved in the cultural life of Centenary SHS. If you are interested in being involved, or simply finding out some more information, please complete this form and return it to the school at your earliest convenience and we will be in contact.

Thank you
