

CENTENARY SHS UNIFORM CODE

Centenary State High School is a 100% full school uniform school and the uniform code was developed in consultation with parents/carers, students and the wider community. The school community strongly values and supports the wearing of the school uniform and it is expected that all students at the school will wear the uniform correctly and with pride.

The Reasons for a School Uniform Code

- ✚ Student safety - it identifies those students attending Centenary State High School, allowing us to quickly identify those persons in the school grounds who may not have good reasons for being there.
- ✚ A sense of pride – students develop a sense of pride in being associated with a school that has a reputation of excellence in the educational, sporting, cultural and social development of all students.
- ✚ Equity issues - it eliminates the ‘fashion’ competition between students and in doing so reduces the ‘stress’ of ‘keeping up’ with the trends as well as reducing the costs for school clothing.
- ✚ Self-discipline - a uniform code applies to many occupations and social activities. Wearing a uniform to school reinforces the self-discipline which is required outside the school environment.

Sun Smart Policy

Centenary State High School supports the need to help children understand the importance of properly protecting their skin and educating young people about Sun Safe behaviour, thus reducing the risk of skin damage from exposure to the sun.

The school's uniform includes a brimmed school hat. Students are expected to wear this hat during all oval and court activities. The school will supply 30+ broad spectrum, water resistant sunscreen in staffrooms for student use, especially before all HPE classes.

Wearing of the Uniform

Students are required to wear correct uniform at all times including travelling to and from school and attendance at school excursions. Students in all year levels may wear sports or Arts uniform all day on Wednesday.

Performing Arts Uniform for Dance, Drama and Music

- ✚ Arts Shirt
- ✚ Sports Shorts or School Trousers
- ✚ Blue School Socks
- ✚ Standard Sports Shoes

For Film and Television, Media, Art or Visual Art - Formal School Uniform not Performing Arts Uniform.

If students study HPE and/or Performing Arts and require sports or Arts uniform for practical lessons, the following guidelines apply:

- ✚ Students who have a practical HPE/Performing Arts lesson in lesson 1 may wear their sports/Performing Arts uniform to school but they must change into their formal uniform in the AM break.
- ✚ Students who have a practical HPE/Performing Arts lesson in lesson 2 or 3 must wear their formal uniform to school, change into their sports/Performing Arts uniform at the AM break and change back into their formal uniform at the PM break
- ✚ Students who have a practical HPE/Performing Arts lesson in lesson 4 must wear their formal uniform to school then change into their sports/Performing Arts uniform at the PM break. Students may then travel home in their sports/ Performing Arts uniform.

Students who are unable to comply with the school uniform code at any time are to report to a Deputy Principal at the beginning of the school day with a note from a parent/carer. The student will then be issued with a uniform pass for the day.

Team uniforms (eg Instrumental Music, Dance singlets and pants, backstage uniforms, sports singlets or shirts, football training shirts or jerseys etc.) are NOT part of the authorised school uniform and may not be worn at school other than when students are participating in the particular activity for which the team uniform is intended. Students must also not wear team uniforms to or from school.

Presentation

Students should be neat and well presented at all times. In particular,

- ✚ Boys' shirts are to be tucked in for formal occasions, e.g. assemblies and graduation ceremony.
- ✚ The top button of girls' blouses must not be removed and must be done up. Skirts must not be rolled down or partially unzipped to expose a bare midriff.
- ✚ Shirt sleeves of both girls' and boys' uniforms must not be rolled or folded up, but worn as designed.
- ✚ Coloured undershirts should not be worn with school uniform. White undershirts may only be worn as long as the sleeves do not project beyond the uniform shirt sleeve.
- ✚ Non regulation slacks, e.g. tight hipster slacks, are not permitted.

Grooming

Hair should be of a natural colour, neat and tidy and pulled back to comply with workplace health and safety requirements. Hairstyles should be appropriate for a working environment. Hair ties, bands or accessories should match the school colours (blue, white, red and yellow).

Jewellery

Jewellery must not create a safety concern and is restricted:

- ✚ A maximum of two pairs of small plain sleepers and/or studs in pierced ears (gold or silver),
- ✚ No large hoops, bands, coloured or dangling earrings or spikes are to be worn,
- ✚ Ear spacers must be of a clear colour,
- ✚ A wristwatch,
- ✚ One small signet ring.

PIERCINGS

- ✚ Visible body piercing of any type is not permitted,
- ✚ Flesh-coloured surgical adhesion should be worn over pierced areas if the student is concerned about it closing over,
- ✚ Small, clear, non-metallic retainers can be worn.

Visible jewellery is not permitted unless it is related to the student's cultural heritage/religious significance and written request to a Deputy Principal or Principal at the start of the school year has been approved.

Make-Up

- ✚ Students are not to wear any overt make-up unless approval has been granted for medical reasons.
- ✚ Only foundation make-up (skin tone) can be worn, for sun protection.
- ✚ Make-up should be minimal and not draw undue attention.
- ✚ Nail polish, if worn, is restricted to natural colours.

The Wearing of Non-uniforms

Students are allowed to wear non-uniform clothing for only those activities which have received school administration approval i.e.

- ✚ School approved camps,
- ✚ School approved non-uniform days.

Written notification will be sent home advising parents of school camps and any requirements regarding the wearing of the appropriate non-uniform.

Non-uniform days are a privilege and are part of our school's commitment to supporting our school charities. Poor responses to these fundraising efforts may indicate no interest on behalf of students and our school administration will reassess the school's participation in any further non-uniform days.

Standards for the wearing of non-uniforms apply and include but are not limited to:

- ✚ Neat and well-presented clothing that would be deemed appropriate for work wear and that meets Workplace Health and Safety Guidelines and Sun Safety Guidelines,
- ✚ Closed-in shoes (no thongs/sandals or open-toed shoes),
- ✚ No revealing mid-riff tops or strappy singlet tops,
- ✚ No short shorts,
- ✚ No inappropriate slogans of an offensive or sexual nature to be on clothing,
- ✚ Jewellery and makeup as per the Uniform Policy,
- ✚ Shoes and clothes that are suitable for school activities e.g. leather shoes for workshops, laboratories, kitchens and sport shoes for sport activities.

If students choose to wear the sports uniform on these days, full sports uniform must be worn; a mix of non-uniform and sports uniform is not permitted.

Students who have a Health & Physical Education or The Arts subject on that day will be required to change into the PE/Arts uniform and then to change back to the non-uniform.

Non-compliance with the Uniform Code

Non-compliance by students with the uniform code may result in consequences being applied. This may include after-school detentions. Repeated non-compliance with uniform consequences may incur further consequences.
