**Our strategy will be to**

- Facilitate a continuous process in numeracy and reading which assesses students’ current performance, thereby allowing individualised targeted teaching, leading to significant measurable improvement via re-assessment.
- Data will be utilised with a narrow and sharp focus to inform decisions and provide direction.

**Our school will improve student outcomes by**

- Appointing a staff member as a Literacy Coordinator to provide professional development to staff and to create more support classes $100,000
- Appointing a staff member as a Key Teacher Literacy to develop a whole school literacy inventory and to work with potential U2B students in class $40,000
- Targeted before school reading classes [teacher aide purchase] $10,000
- Testing and diagnostic test resourcing $15,000
- Professional Development [Classroom Practice, Literacy and Numeracy] $ 6,000
