

# 2026 Annual Implementation Plan

## The Learner

Focusing on Positive Education

### Actions

- Build understanding of and implement practices and approaches of Positive Education
- Create classroom conditions to foster a sense of belonging
- Engage in Know Your Learner practices (e.g. data placements/ TrackEd, marker students)

### Success Measures

- Increase in A-B % 7-9 English achievement
- Increase in SOS Student : My teacher cares about me
- Decrease in behaviour incidents (disruption) during learning time

Ross McNichol  
Principal

## The Learning

Focusing on a whole-school integrated approach to pedagogy.

### Actions

- Build a shared language of pedagogy and embed signature practices
- Align classroom practices to school wide practices and expectations for supporting student behaviour
- Develop skills in differentiated teaching and learning

Blair Hanna  
School Supervisor

## The Curriculum

Focusing on whole-school moderation processes to support the alignment between teaching, learning, assessment and the curriculum.

### Actions

- English and Humanities faculties engage in accessible assessment trials
- Engage in whole-school moderation process (Before, After, End)
- Implement pedagogical practices to support enactment of aligned curriculum

Tania Nelson  
P&C President
